PRESIDENT'S MESSAGE

Wow! There are so many great things going on for 4Life, and 4Life Philippines is a HUGE part of that success! I want to thank each of you for your hard work; we're going to have our best year ever!

The Philippines had new Gold International Diamonds and President's Club members in August: Cynthia and Jun Orellana. We also had Manuel Koh re-qualify as a Gold International Diamond in April. Thank you for working so hard, especially in the face of these trying times.

Even with all this success, we won't pretend this year has been easy or even normal. Your country has been on a strict lockdown, but that hasn't stopped you! You've used technology and new business tools to keep your 4Life business growing. It's this type of flexibility, innovation, and creativity that will usher you toward even greater heights.

Our service efforts are continuing, too! 4Life is reaching out to serve others however we can, the Philippines included. We

are supporting 4Life service efforts around the globe and our corporate office recently donated 3 million meals to Feeding America.

As I look forward, I see a bright future for 4Life; especially with our International Convention 2021: SHINE. This will be our first virtual convention, and we're excited to see how many people we can reach! We've got great things coming up: product launches, distributor bonuses, and more!

Keep up the great work!

Sincerely,

A handwritten signature in black ink, appearing to read 'Danny Lee'.

Danny Lee
President & CEO

Rise higher. Rise here. Rise now!

Personally, I have never been more grateful or proud that I belong to the 4Life® family. This past year, 4Life has shown great resilience. Our leaders had the foresight to put technological infrastructure in place to operate continuously despite difficult circumstances. We even completed the launch of 4Life Transfer Factor® Collagen and the äKwä® skincare system—two of the most successful product launches in the history of 4Life Philippines. Both our distributors and corporate team understand the value of staying connected and the importance of communication without physically being together. We have also discovered the true potential of e-commerce and social media. Everything we have learned from this very unique year has provided us with the tools we need to expand not only the Philippine market, but to spread 4Life to Filipinos across the globe.

To say that the year 2020 is memorable is an understatement! We have lived through a year unlike any other in recent history. For some, it has been a year of disappointments and loss, and for others it has been a year of discovery, new beginnings, and progress. In some ways, 2020 is not very different from any other year, since at any point in our lives we can find ourselves in unfamiliar and difficult situations—situations that force us to make decisions that will determine our future. These important decisions determine whether we will adapt to the change and rise above the hardships or wallow in despair. The choice has

always been ours. We encourage you to choose to Rise higher. Rise here. Rise now. There is so much goodness in the world and everyone deserves a life of fulfillment and happiness. 4Life provides a path to these things.

For those who have chosen to rise higher despite all the challenges this year—to our distributors who reached new ranks—to our special awardees and top 35 and top 12 distributors—to our hall of fame awardees: Congratulations! Your leadership is invaluable. To Gold International Diamond and Presidents Club Qualifier Manny Koh, and our newest Gold International Diamonds Mr. and Mrs. Jun and Cynthia Orellana: Your example of grit and perseverance to achieve your goals, regardless of obstacles, truly inspires us all. Let us all remember that some of the greatest opportunities are born out of hardships and necessity. The harder the journey, the sweeter the victory. Let us rise together to achieve our greatest potential in 2021!

Sincerely,

Eileen Tan-Dario

John Michael Orellana

TAGUIG CITY

JM came humble beginning, the older of two sons of Jun & Cynthia Orellana. At the age of 5, he is already exposed to the retailing and food business courtesy of his mother, who joined various networking companies to help augment the family's income.

In college, he realized that a structured office setup is not for him. He prefers to have a control over his work environment and schedule. Hence, he became a licensed real estate broker after graduation. Around this time, his mother started building her 4Life organization. Being an eye-witness to the disappointments his mother experienced in her previous companies, JM was not keen on joining 4Life. However, as his mother's 4Life business prospers and their lives started to improve, JM decided to give 4Life another look. And as they say, the rest is history.

Having distributors all over the country allowed JM to enjoy workation, building his business while having the privilege of exploring different places. However, being an instrument of helping people live a healthy and successful lives is one of his priceless achievements.

This business also taught him to be an entrepreneur, improve his self-esteem, and public speaking and leadership skills. JM is one of the most sought-after product and business opportunity speakers. He likewise enjoys the trip incentives such as his trips to Malaysia, Thailand, Asian cruise, and most especially his US trip where he attended the International Convention in Orlando, Florida.

4Life 2020 Trifecta

4Life Science: Top Award

Salt Lake City, Utah (November 17, 2020)
Corporate America Today named 4Life Research 2020's Best Immune System Supplement Provider in the United States of America. 4Life has now received four major awards in the science/customer/product categories this year.

Corporate America Today made their decision after looking at many different factors, including the science behind 4Life products, humane treatment of animals on 4Life farms, ratings from the Better Business Bureau, and customer satisfaction.

The Judges at Corporate America Today have provided 4Life customers with an article about their decision.

The article concludes with this statement: "4Life's commitment to customer satisfaction includes every part of the company: its raw ingredients, final formulas, peer-reviewed research in academic journals, eco-friendly corporate initiatives, and a 100% Satisfaction Guarantee."

Salt Lake City, Utah (October 5, 2020) Throughout 2020, 4Life science has led the way in research and publication, product development, and best-in-class manufacturing practices. To date in 2020, the company has been recognized by three independent award panels.

Earlier this year, and for the second year in a row, Luxlife Magazine named 4Life products Best Immune System Supplements in the U.S. The judges also distinguished 4Life as Health Supplement Company of the Year for the State of Utah.

Next, The American Business Awards, operator of the Stevies, showcased 4Life Transfer Factor® Collagen and the public voted on their favorite products. 4Life's latest best-seller rose to the top and won the People's Choice Stevie Award for Best New Product in Skincare and Age Defiance.

More recently, Rafael Fernandez's corporate team in Barcelona, Spain, announced that for the first time ever, 4Life received The International Quality Institute's Monde Selection Silver Award. Since 1961, The International Quality Institute has ranked among Europe's most rigorous independent, third-party quality panels. The Judge's scientific evaluations use methodologies in conjunction with ISO norms (popular international standards), ingredients, labeling, and a variety of other industry best practices informed by European Directives and Regulations.

4Life has offices in 25 markets to serve the company's worldwide customers.

4Life Transfer Factor® Collagen—
Total body, age-defying formula*

4Life Transfer Factor™ Collagen contains 5,000mg fish-derived Type I hydrolyzed collagen to support healthy aging by restoring healthy collagen levels within the body. It features 4Life Tri-Factor™ Formula to help support total body wellness. It also includes vitamin C and E.

Collagen is a vital structural protein in the human body. Often referred to as the “glue” that holds your body together, collagen is present in connective tissue throughout your body, including the skin. Collagen is made of three amino acid strands wound together that form a triple-helix. These triple-helices form collagen fibers, which are the main components of connective tissue in your body.

Transfer Factors help strengthen the skin's defense system and barrier, providing protection against harmful chemicals and pollutants. Your body's immune system can be weakened by pollutants and free radicals over time.

The Queen is Home

“With 4Life Transfer Factor products you have a smart and vigilant immune system!

I urge you to try Transfer Factor products for yourself and see what fits for you. If you value your health and you want to take care of yourself, now is the best time! This is the best gift that you can give yourself.”

“ We witnessed natural disasters and the fall of the economy in 2020. We also saw the resilience of people against these adversities. Nothing is impossible when we work hand in hand together rising up in 2021! **ABOVE IT** despite all challenges.”

“ Have the right attitude and be positive. The reason why God allows our wings to be broken is because he wants to replace it with larger ones so we can **RISE AND SOAR HIGHER TO THE TOP** and make our dreams come true.”

“ Working together to reach a common vision is essential to success. Only when we come together as a team can we face challenges and overcome obstacles to achieve our goals. When we act in solidarity, we can weather anything for **TOGETHER WE ARE GREATER AND WE WILL RISE!**”

“The only constant in this world is change and if we want our future to be better, we must be open to make changes and adapt. When we were faced with the obstacles of this year, things changed for everyone, but we adapted. We shifted into an online setting and continued working from our own homes. Let us all continue to **GROW AND RISE ABOVE ALL CHALLENGES** of the new normal together!”

“In our quest for the realization of our dreams, there will be hurdles that may stop you from your journey to success. Visualizing and working together toward the achievement of common goals will make things manageable and easier to accomplish. Because we are **STRONGER WHEN TOGETHER, WE WILL RISE FASTER** than any single strongman can achieve!”

“ This year has changed the way we do our business. We realized that the only way to thrive is to reach for the stars, ignite our passion, say yes to new learnings, and enter each day with hope and purpose. Together, we choose to **RISE AND CONQUER THE CHALLENGES** before us.”

“The year 2020 was perhaps one of the most challenging times in our lifetime. But despite these unforeseen changes, one thing remains true—**TOGETHER WE WILL RISE**—may it be in the new normal or even beyond. This time, we have once again proven that the way to ‘Do Life Differently’ is by building each other up, standing by one another and rallying together to face all the challenges life bring in order to reach our dreams and achieve success.”

“Life is more fulfilling when our business partners become healthier and wealthier. We are grateful that many of our leaders embrace the advocacy of helping each other so they can grow and achieve their dreams. As a family, we strongly believe that **TOGETHER WE WILL CONQUER AND RISE** amidst the challenges! We want to continue to inspire others and show them that by working together harmoniously and effectively, we can reach greater heights.”

“ We belong to the best company in the world! With greater reason, during this difficult time, we were again able to prove our capacity to persevere. With a little bit of faith and persistence, we will thrive! Together, we will **RISE STRONGER** than before and become more resilient than ever!”

“ We believe that 4Life is the best and fastest platform to realize our dreams and the dreams of our downlines. To make this a reality we should be committed to working together as a team -- to do the business seriously, move full throttle like a rocket or a plane about to launch, and do whatever it takes to hit targets. By doing these, we will surely **RISE TO OUR HIGHEST POTENTIAL!**”

“ Our journey isn’t just about the pursuit of the dream, it’s about the trials and the hardships that we had overcome together while achieving those dreams. Our ‘tests’ became our ‘testimony’ because we were able to **RISE TOGETHER** no matter the challenges. Together, we will continue to adapt , grow and **RISE AS ONE.** ”

“ To be able to endure and prosper, especially during this very challenging time, we need to **HELP EACH OTHER RISE.** It is not how many times you stumble but the times you kept going no matter how difficult the situation is. Let us all help one another for a better future for our children. Now is the time we think not only for ourselves but also for others, about how we can contribute to giving hope and helping others achieve their dreams. ”

WHY DID YOU DECIDE TO PARTNER WITH 4LIFE?

I chose to partner with 4Life, because we share the same mission – the dedication to help others. 4Life has the best quality products that support a healthy life. It also offers the most generous and seamless compensation plan, so distributors like me, can achieve our dreams and do life differently. And of course, the staff, management, executives and most especially the owners, David and Bianca Lisonbee, who always give overflowing support and generosity to its distributors.

TELL US A LITTLE ABOUT YOUR LIFE BEFORE JOINING 4LIFE.

I was a housewife while my husband was an employee. We have 2 sons who were still in school then. I was always looking for an opportunity to earn to help augment my husband's income. I joined several local and international direct selling companies, but I never achieved the success I have experienced with 4Life.

PLEASE SHARE SOME SPECIAL MOMENTS FROM A FAVORITE 4LIFE TRIP/EVENT YOU'VE ATTENDED?

- Salt Lake City International Convention - I had the chance to visit our world class manufacturing facility and met the wonderful executives and top distributors of 4Life.
- Orlando International Convention - Aside from attending the convention and recognition in Orlando, we had a whole day tour of Orlando Disneyland. It was a dream come true for me and my family.
- A visit to the beautiful home of our upline, Platinum International Diamond, Jeff and Michelle Altgilbers in

Tennessee - They were so generous in inviting the Philippine distributors over to their beautiful paradise-like home. It was a very lovely experience for all of us.

- Great Escape Asian cruises - It has always been my dream to experience a luxury cruise, and it has been realized because of 4Life! Thank you so much 4Life for the first-class, all-expense paid cruises! It was a fabulous experience for me!

DO YOU HAVE A SPECIAL MOTTO IN LIFE?

This is what I always share when I do my 4Life presentations. "If you receive a gift of a great value, you have a moral obligation to share this gift many times over." For me, 4Life is a gift, a great value, a real blessing that needs to be shared with everyone.

HOW WOULD YOU SHARE 4LIFE WITH SOMEONE IN 25 WORDS OR FEWER?

4Life is a blessing! 4Life changed our lives! I still cannot believe all of these are possible and that it can happen to me!

WHAT ADVICE DO YOU HAVE FOR OTHERS WHO WANT TO ACHIEVE THE RANK OF GOLD INTERNATIONAL DIAMOND?

My advice is to do the right things! We have already a proven system in 4Life. Don't re-invent. There is no short cut in building your organization. Be kind and offer help. Love and build your people and your people will build you!
