

4LIFE TRANSFER FACTOR PLUS® TRI-FACTOR® FORMULA

For Immune Support

INTRODUCTION

4Life Transfer Factor Plus Tri-Factor Formula combines the power of Tri-Factor Formula (made from cow colostrum and egg yolk) with a proprietary super-mushroom blend (shiitake, maitake, agaricus, and cordyceps) to support a healthy immune system.

KEY FEATURES

- Contains 4Life Tri-Factor Formula to educate immune cells and promote the immune system's ability to recognize, respond to, and remember potential health threats
- Contains a proprietary super-mushroom blend, Inositol Hexaphosphate (IP-6), and olive leaf extract to further nourish the body and immune system
- Contains zinc, a trace element, which is important for the production and function of immune system cells
- Protected by U.S. patents: 6,468,534 (extraction process for transfer factors from egg sources) and 6,866,868 (combination process of transfer factors from cow colostrum and chicken egg yolks)

HEALTH BENEFITS

- Supports healthy immune system function
- Promotes healthy energy levels
- Maintains healthy function of the body systems
