

4Life
TOGETHER, BUILDING PEOPLE™

BUILDING A LEGACY OF SERVICE

4Life Service Report, 3rd Quarter 2013

KNOWLEDGE IS POWER... POWER TO DREAM

Even though the United States is considered one of the wealthiest countries in the world, many hard-working families can barely afford the essentials for their children's survival, making it next to impossible to budget for backpacks, school supplies, clothing, and more.

The new Foundation 4Life® U.S. education program will give kids the tools they need to start the school year off right and stay on a path to success. Visit foundation4life.org for more information!

Salt Lake City, Utah

We made a \$50,000 donation to the Guadalupe School, an educational center for economically disadvantaged children and non-English speaking adults. The donation goes toward construction of a new school for the 2014–2015 school year. Foundation 4Life was given naming rights on a preschool classroom, and each student received a personalized binder to help them stay organized for academic success.

Miami, Florida

We donated 200 backpacks filled with numerous school supplies and hygiene items to the Fienberg-Fisher K–8 Center in the Miami-Dade School District.

Barberton, Ohio

Our partnership with Barberton Elementary West was launched with a donation of 200 backpacks filled with all of the supplies that kids need to start the school year off right, along with hygiene items.

Downey, California

Foundation 4Life donated 200 back-to-school kits that included a hardbound book, shoes, underwear, socks, shampoo, toothbrushes, toothpaste, and more to the TLC Family Resource Center, which supports low-income students in the Downey Unified School District.

Donate today!

- 100% of every dollar goes to Foundation 4Life projects around the world.
- Make a donation from your 4Life® bonus check.
- Serve others every month when you purchase a Foundation 4Life® AutoShip pack, with a built-in \$5 donation.
