# PRO-TF™ *NEW 4LIFETRANSFORM™ PROGRAM* *YOUR HIGH QUALITY PROTEIN INFUSION*

## STEP 1

Order the month 1 product pack, followed by month 2 and month 3 packs.

## STEP 2

Calculate your daily protein needs. The RDA for protein for adults is 0.8 g protein per kg of body weight per day.

Athletes should consume about 1.2 to 1.8 g protein/kg body weight.

Example: Adult (150 kg) x 0.8 = 120 g of protein per day.

PRO-TF provides a high-quality source of protein to help you reach your goals.

(Gropper et al, 2013).

## STEP 3

Download the 4LifeTransform™ App for the entire 4LifeTransform Program, including workout plans and healthy meal ideas.

**START YOUR JOURNEY TODAY!**
