

4Life Transfer Factor® Tri-Factor® Formula

The superpower of immune system support

- Provides broad spectrum immune system support
- Stimulates Natural Killer (NK) cell activity by 283%*
- Educates immune cells

What is 4Life Transfer Factor Tri-Factor Formula?

4Life Transfer Factor Tri-Factor Formula contains ingredients made by the immune system for the immune system. It represents a revolutionary advancement in Transference™ Science and raises the bar on the standard of support for immune system health with Tri-Factor Formula—a combination of Transfer Factor E-XF™ and NanoFactor® extract. The messenger molecules found in 4Life Transfer Factor Tri-Factor Formula help educate immune cells and support the immune system's ability to more effectively recognize, respond to, and remember potential health threats.

PRIMARY SUPPORT:

Immune System
General Wellness

SECONDARY SUPPORT:

Cardiovascular
Energy

Key features

- Promotes healthy immune system function that, in turn, promotes increased energy and the healthy function of all other systems throughout the body.
- Contains transfer factors (immune messenger molecules) that help educate immune cells and promote the immune system's ability to more effectively recognize, respond to, and react to potential health threats.
- Features NanoFactor extract that supports immune system balance by promoting the ability of immune cells to know when to act, how to act, and when to rest.
- Ensures exclusivity with protective United States patents: 6,468,534 (extraction process for transfer factors from egg sources) and 6,866,868 (combination process of transfer factors from cow colostrum and chicken egg yolks).

Supplement Facts

Serving Size: Two (2) Capsule
Servings Per Container: 30

Amount Per Serving	%DV*
4Life Tri-Factor® Formula	600 mg †
Transfer Factor E-XF™	

A patented concentrate of transfer factors and other natural components from cow colostrum and egg yolk.

NanoFactor™

A proprietary concentrate of nano-filtered cow colostrum.

* Daily Value

† Daily Value not established

Other Ingredients: Ingredient: Gelatin capsule and maltodextrin. Ko

CONTAINS INGREDIENTS FROM MILK AND EGG.

4Life Transfer Factor® Tri-Factor® Formula

The superpower of immune system support

Scientifically studied, 4Life Transfer Factor® Tri-Factor® Formula was developed by 4Life researchers and scientists in an effort to maximize immune system support. Its combination of 4Life's patented Transfer Factor E-XF™ with NanoFactor® extract helps boost immune cell function to an unprecedented 283 percent.

4Life Transfer Factor® Tri-Factor® Formula

Increases Immune NK Cell Effectiveness
