

4Life Transfer Factor® RioVida Burst™ Tri-Factor® Formula

Energizing gel blend

- Provides broad spectrum immune system support
- Features Transfer Factor E-XF™, which stimulates Natural Killer (NK) cell activity by 283%*
- Provides potent antioxidant protection

What is 4Life Transfer Factor RioVida Burst Tri-Factor Formula?

RioVida Burst provides the energizing, and delicious, immune system support of 4Life Transfer Factor RioVida Tri-Factor Formula in a convenient, go-anywhere gel pack. Bursting with the vitality of açai, pomegranate, blueberry, elderberry, and purple grape, this antioxidant-rich gel blend features the exclusive Tri-Factor Formula—a combination of 4Life’s proprietary concentrates of Transfer Factor E-XF™ and NanoFactor® extract.

Did you know?

4Life Transfer Factor RioVida Burst Tri-Factor Formula requires no refrigeration, making it a convenient supplement to take with you everywhere you go.

Brain
Cardiovascular
Energy

Key features

- Exists as the first and only edible gel product, featuring 4Life Transfer Factor Tri-Factor Formula.
- Provides the easiest and most impactful way to share 4Life Transfer Factor, in a 1 oz. gel pack.
- Promotes healthy immune system function that, in turn, promotes increased energy and the healthy function of all other systems throughout the body.
- Contains transfer factors (immune messenger molecules) that help educate immune cells and promote the immune system’s ability to more effectively recognize, respond to, and react to potential health threats.
- Features NanoFactor extract that supports immune system balance by promoting the ability of immune cells to know when to act, how to act, and when to rest.
- Provides a rich source of antioxidants that help protect the body from naturally occurring free-radicals.
- Contains a composition of essential fatty acids, amino acids, trace minerals and flavonoids.
- Ensures exclusivity with protective United States patents: 6,468,534 (extraction process for transfer factors from egg sources) and 6,866,868 (combination process of transfer factors from cow colostrum and chicken egg yolks).

DIRECTIONS: Take one (1) or more packets daily.
