

4Life Transfer Factor® ReCall®

Targeted Acuity

- Supports and helps maintain healthy brain function
- Features Targeted Transfer Factor® technology
- Provides antioxidant support

What is 4Life Transfer Factor ReCall?

Transfer Factor Recall provides unprecedented support for one of the most vital organs, the brain. This well-rounded formula provides 4Life's exclusive Targeted Transfer Factor support, antioxidants, and a synergistic blend of herbal nutrients that help support and maintain brain function.

Did You Know?

Targeted Transfer Factors are part of a revolutionary new system of support, scientifically researched and developed by 4Life, where the power of transfer factors and the combination of additional ingredients are targeted to directly benefit specific systems of your body.

PRIMARY SUPPORT:

Brain

SECONDARY SUPPORT:

Immune
Anti-aging
Cardiovascular

Key features

- Features Targeted Transfer Factor technology to provide focused support for healthy brain and nervous system function.
- Includes ingredients such as Ginkgo biloba and Vinca minor herb extract that support circulation to the brain.
- Contains transfer factors (immune messenger molecules) that help educate immune cells and promote the immune system's ability to more effectively recognize, respond to, and remember potential health threats.
- Ensures exclusivity with the protective United States patent 6,468,534 (extraction process for transfer factors from egg sources).

DIRECTIONS: Take three (3) capsules daily with 8 oz of fluid.
