## WELCOME TO 4LIFE®

**M**ore than 15 years ago, we came across the remarkable scientific finding of transfer factors. After experiencing the energising immune system support of these information-packed molecules ourselves, our passion grew, and we knew we would spend the rest of our lives sharing it with others. Today, with the help of our outstanding research and development team, along with input from our distinguished Health Sciences Advisory Board, our original finding has developed into one of the most revolutionary immune system support supplements available, 4Life Transfer Factor®. Our progress has solidified 4Life as *the* Immune System Company worldwide and served as the springboard for Transferceutical® Science

No matter what your age, or where you're from, we have a certified 4Life Transfer Factor product that's just right for you. We invite you to try 4Life Transfer Factor for yourself and feel the difference it can make. Complemented by a wide range of additional supplements to meet your personal skin care, general health and wellness, and oral care needs, we are confident that 4Life products will make overall wellness support something you'll look forward to every day.

Sincerely,

### *Science at its best*

At 4Life, we've dedicated more than 15 years to researching and developing innovative 4Life Transfer Factor products—and our commitment has paid off. Transfer factors aren't simply nutrients; they provide knowledge to your body's immune system—supporting its natural ability to know what to do when challenged with health threats.\*

Further advancing our position as a world leader in Transferceutical Science, 4Life is set apart by our in-house Research and Development team, as well as the supporting expertise of a professional board of medical professionals, immunologists, nutritionists, and researchers, known as the Health Sciences Advisory Board (HSAB). Each of our scientific leaders is dedicated to the continued advancement of Transferceutical Science because of the positive impact we continue to see in people's lives.

## COUNT ON OUR QUALITY

4Life Transfer Factor products are certified and guaranteed!

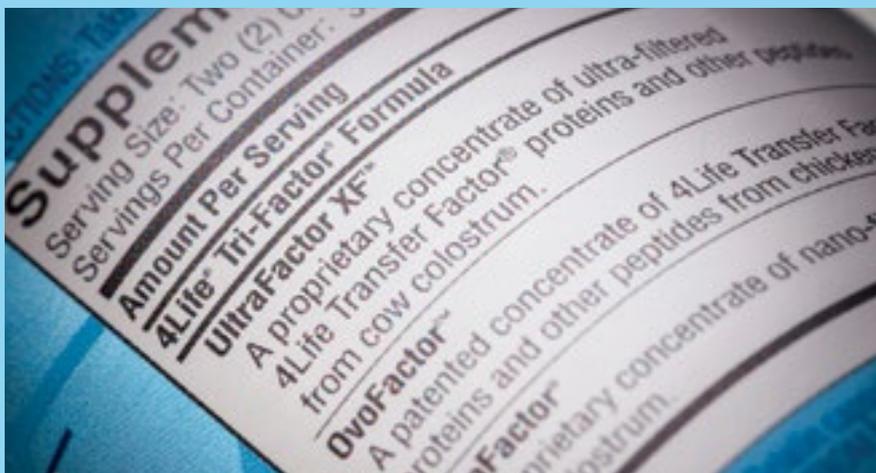

At 4Life, we certify all 4Life Transfer Factor® products. We pledge to uphold the highest standards of product design and manufacturing for every product we sell. We will always strive to create products of the utmost quality and efficacy. When you purchase 4Life Transfer Factor products, you can rest assured that you're getting the very best. In fact, we guarantee it.

## NEW FORMULA

Through technological advancements, 4Life and its manufacturing partners have improved the process for obtaining 4Life Transfer Factor® from cow colostrum. This new proprietary process advances the quality of our products, providing you with an improved, highly concentrated 4Life Transfer Factor® ingredient called UltraFactor XF™.

- **UltraFactor XF™** is a concentrated and proprietary combination of ultra-filtered 4Life Transfer Factor proteins and other peptides from cow colostrum.
- **OvoFactor™** is a patented concentration of 4Life Transfer Factor proteins and other peptides from chicken egg yolk.
- **NanoFactor®** is a proprietary concentration of nano-filtered cow colostrum.

## 4LIFE TRANSFER FACTOR®

LEADING THE WAY IN  
TRANSFERCEUTICAL®  
SCIENCE

# 4LIFE FORTIFY™

## GOOD WORKS THROUGH GOOD NUTRITION

While many orphanages struggle to provide food for their children, even those who can manage it rarely supply the proper nutrition that is necessary to sustain a vibrant life. As part of our focus to foster long-term sustainable partnerships with orphanages and child care facilities around the world, 4Life is proud

to offer 4Life Fortify. Distributors can donate 4Life Fortify and receive personal LP to further build their businesses.\*\* Each bag purchased will be donated to children in need around the world using our partner, *Feed The Children*, a third-party distribution company.

### 4LIFE FORTIFY™

The 4Life Fortify meal pack provides 12 great-tasting meals. Each high-quality pack includes a meal of rice, lentils, and beans, along with a complete nutritional complex of vitamins and minerals, and 4Life Transfer Factor® Tri-Factor® Formula—a great foundation of overall wellness support.

- Contains a nutritional complex of vitamins and minerals
- Includes 4Life Transfer Factor® Tri-Factor® Formula
- Provides a protein-rich meal with the texture of a true meal, not simply porridge
- Provides proper nutrition for individuals of all ages, as well as a feeling of satiety
- Tastes great and can be enjoyed by different cultures worldwide

(12 servings/bag) .....Item #30015005\*

*\*For donation through Feed The Children. Not for personal use.*

*\*\*4Life Research® offers an incentive to buy, donate, and promote 4Life Fortify™ meal packs. Commission is included in the price of the pack and allows distributors to invest their time and resources to encourage others to join 4Life's legacy of service. 4Life Fortify is a product created and supported by 4Life Research, a for-profit company that facilitates donations of purchased 4Life Fortify meal packs to non-profit partners such as Feed The Children. Charity partners distribute 4Life Fortify to children in need without charge or fees.*
