

4Life Transfer Factor® RenewAll™

Soothing Skin Gel

- Contains ingredients that promote skin health
- Soothes and softens skin

What is 4Life Transfer Factor RenewAll?

4Life Transfer Factor® RenewAll™ blends the skin-nourishing benefits of aloe vera, rosemary, chamomile, and lavender to support the skin's natural healing ability. Its soothing gel cools the skin as it promotes a soft smooth texture along with overall skin health. 4Life's original Transfer Factor XF® further fortifies this renewing gel for exceptional skincare support.

PRIMARY SUPPORT:

Skin

4Life Transfer Factor® Tri-Factor® Formula

The superpower of immune system support

Scientifically studied, 4Life Transfer Factor® Tri-Factor® Formula was developed by 4Life researchers and scientists in an effort to maximize immune system support. Its combination of 4Life's patented Transfer Factor E-XF™ with NanoFactor® extract helps boost immune cell function to an unprecedented 283 percent.

4Life Transfer Factor® Tri-Factor® Formula

Increases Immune NK Cell Effectiveness

*Indicates the percentage increase above the baseline value

Test results obtained from an independent NK cell study conducted by Dr. Anatoli Vorobiev, head of Immunology, of the Russian Academy of Medical Science. The blind study tested 4Life Transfer Factor E-XF™ (the primary ingredient in 4Life Transfer Factor Tri-Factor Formula).

*Test results obtained from two independent NK cell studies conducted by Dr. Anatoli Vorobiev, head of Immunology, at the Russian Academy of Medical Science. The blinded studies tested 4Life Transfer Factor E-XF (the primary ingredient in Tri-Factor Formula) and other immune system products.
